All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Diamonds Person

The Businessman's Card

The King of Diamonds is the master of values, finances and business. In this regard he or she can do very well in any business pursuit, applying their inherited knowledge to their work with much success. These people are always more successful as heads of their own business rather than working for others. They can be very mercenary when it comes to money and business, but they don't have to be.

This is the only 'one-eyed' King in the deck, which tends to blind them to certain aspects of life and situations. This can also make them very stubborn and see things from only their side of the issue. King of Diamonds are known to make enemies for this very reason. Perhaps the upraised 'battle-ax' on their card represents a fondness for competition. However, all of them know what is of real value and if they follow their knowing instead of their fears, they can be the most respectable people in the business world. They must always guard against using their power to get things to go their way at the expense of others. With so much inherent power, the King of Diamonds can avoid dealing with their feelings and this is where many problems are created. There are often emotional issues from childhood that must be dealt with before the higher side of this card can be manifested. Until then, they can appear cold and ruthless.

They are very creative and can make huge amounts of money by using this gift. The King of Diamonds are powerful people who can do much good in the world and can be examples of those who are 'in the world but not of it'.

Some of the King of Diamonds Issues Concerning Relationships

The King of Diamonds is one of those cards that doesn't have any particular good or bad relationship karma. However, being Kings, they are quite powerful and unwilling to compromise, which can cause problems on the personal level. The women, especially, have to find a way to balance their strong masculine side in the context of a relationship where the accepted norm is the 'retiring female'. They tend to want to dominate or at least be an equal to their mates and not many men are willing or able to deal with such power in a woman. Some of the women give up trying after a few unsuccessful attempts. Some of the men do likewise. Both sexes can be guilty of looking at love and marriage strictly from a financial point of view. It is always best for them to keep their business and love life separate until they find the right match.

Both sexes could learn to express their fears and emotions to have better luck in romance or marriage. Honest communication bridges the gap and brings more intimacy. They are attracted to those of wit and good education and are often found working with their spouse in a business.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Six of Hearts as Your Planetary Ruler

This card makes you a 'peace-maker' and you will find yourself in the position of mediator from time to time as a result. You have the ability to see both sides of any personal conflict between people. You enjoy seeing things turn out right and will often get involved if there is injustice being done. You will always want to see that what happens is fair and equitable. You really know what is fair and what is not. You can be very competitive. Though a peace-loving person, you will probably return 'an eye for an eye' when you are crossed. Many people with this card excel at sports or other competitive activities. You could even become a lawyer. You will feel often that your personal life gets into a rut. Once you get comfortable with a certain person, it is usually hard for you to change, even when you may want to. You will usually wait to see what will come your way instead of going out and making it happen as far as your love life is concerned. Indeed, most of your important personal relationships are 'destined'.

Your 13-Year
Mercury Card

Your Thirteen-Year Six of Hearts Period

This is going to be a time of peace, tranquility and contentment for you. It really has nothing but good influences, but especially if you value peace of mind and heart. The Six of Hearts is a powerful influence of balance and peace in personal relationships. How it affects you will largely depend upon your status in your love life as you enter this period and how responsible you have been in that area. It can also bring you a destined relationship.

Oftentimes we are destined to meet and have a relationship with someone because of our past-life karma with them. This is entirely possible for you at this time and depending upon your age and situation, it could be the love of your life. If this relationship occurs, the lessons you will learn in it will be about 'responsibility in love'. Basically this means that you will get to understand that what we receive in love is exactly what we give. For all who have this 13-year period there will be lessons about how their actions affect those around them. This card will demand that all outstanding love debts be settled and will encourage you to take responsibility for your actions and words in your closest relationships.

On a more universal level, the Six of Hearts may also reveal to you a special purpose in your life, one of helping others by sharing love with them. You may become aware of a special mission that you are to perform when this card appears. It is the card of peace and of intuitively knowing how to love others in a spiritual sense. The underlying Four of Clubs promises that no matter what happens, you will remain contented and will gain a solid foundation of information upon which you can build a happy life.

Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

And you will find satisfaction in using the knowledge you have gained. This is also a wish-fulfilling period. Though there will always be ups and downs in whatever period of life we are in, for this period you can expect certain wishes of yours to come true in a most delightful way. Just having the expectation of this will help you receive these gifts when they occur. There is a certain amount of protection from Jupiter as well. And this means that it is highly unlikely that any major calamity will befall you, outside of important life Karma that may be destined to occur.

Obtaining and using knowledge, and working with this information is highlighted. It is what is in your mind that makes a difference now - what you know and can apply to your life and work. Be prepared to work a lot as well. This is a work period of you, working and developing a foundation of security in your life.

At the same time, the underlying influence of the Five of Clubs does guarantee a certain amount of restlessness. This will prompt you to keep studying new things, expanding upon your knowledge, and exploring progressive avenues of thought rather than getting stuck in a rut of any kind. Travel will be a beneficial influence as well.

Enjoy the blessings of this period. It is part of your good Karma that you were meant to enjoy in this life.

The Cards In Your Mars 13-Year Period

Some General Information About the Mars 13-Year Period Cards

Your 13-Year
Mars Period is from
6/4/2001 till 6/4/2014

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your Thirteen-Year Two of Diamonds Period

Your 13-Year
Mars Card

This period of your life is most likely going to be a peaceful one. There will be a focus on relationships of all kinds and that will be good for the most part. Financial partnerships are highlighted and could be very satisfactory. The Two of Diamonds signifies that a money partnership of some kind will be playing a role in your life. This could be a standard business partnership or something out of the ordinary, but it will certainly have something related to money as the end result. It will be during this period of life that you realize the importance of others as a means to your own success. You will likely master the 'art of the deal' so to speak. Expect lots and lots of communications via phone, email, letter and face to face meetings, all for the purpose of making money together.

Its Underlying Card

At the same time, this period could bring a realization of a deeper purpose for your life. This purpose is signified by the Six of Clubs, the 'missionary card'. You may find that your life has a higher purpose, one associated with bringing people in contact with information that can improve their life. If you are not too caught up in the mundane affairs of the business world, you will hear an inner voice, one that beacons you to a higher purpose. If you heed this voice you will be led to a purpose much greater than just making money, but one that ultimately could be financially beneficial as well.

Your 13-Year
Jupiter Period is from
6/4/2014 till 6/4/2027

Some General Information About the Jupiter 13-Year Period Cards

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

Your 13-Year
Jupiter Card

Your Thirteen-Year Jack of Spades Period

This is an important 13-year cycle of your life, one in which your creativity will be emphasized, along with contact with Jack of Spades types of individuals. These individuals will be creative, intelligent but could also be dishonest and crafty. They will serve to remind you of the same influences within yourself. At the same time you will be exposed to a great deal of spiritual knowledge that will serve to uplift you and get you into an entirely new lifestyle, one that is more aligned with higher forces.

The Jack of Spades is probably the most creative card in the entire deck. It is called the 'Actor Card', the 'Card of the Thief' and the 'Spiritual Initiate Card'. Just how it manifests in your life will depend a lot on what are your values, your age and your occupation as you enter this period. Being such a creative force, the Jack of Spades can bring great success in any of the artistic pursuits. You may find yourself playing the actor role during this period or being around individuals who are.

If you are a person whose Birth or Planetary Ruling Card is a Spade, this card can indicate your playing a Jack role for most of this period. That role would be creative, romantic, or in sales and promotions.

Finally, the Jack of Spades can represent an initiation into a higher lifestyle. Books, classes and individuals may influence you to move into a more spiritual lifestyle. Spiritual knowledge, as signified by the Seven of Clubs underlying card, may play an important role in this transformation. It would not even be surprising if you became a spiritual teacher of some kind yourself.

The Cards In Your Saturn 13-Year Period

Your 13-Year
Saturn Period is from
6/4/2027 till 6/4/2040

Some General Information About the Saturn 13-Year Period Cards

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

Your 13-Year
Saturn Card

Your Thirteen-Year Eight of Clubs Period

This period of your life is bound to be one of success, mostly due to the focusing of your mind on your goals and ambitions. Things in your life that have previously been scattered and changeable are likely to smooth out now and you may find that you find yourself settling down into a groove with focused determination.

The Eight of Clubs is the card of mental power, the ability to focus one's mind on a goal or objective and see it through to a successful conclusion. This power is usually applied to some mental or educational task but in your case could represent an overall focus on a life direction.

You will find that during this period you attach yourself to certain principles of life which will, in turn, smooth out the rough edges you may have experienced prior to this period. Success is the result of such a focus and you should see much more success in your life, especially in work, communications, and educational areas.

The Eight of Clubs is one of the three, 'fixed' cards. Because of this there is no other underlying card for this period of your life. And also because of this you may become somewhat rigid in your thinking at this time. However, out of such focus and concentration, success is assured.

The Cards In Your Uranus 13-Year Period

Your 13-Year
Uranus Period is from
6/4/2040 till 6/4/2053

Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelatons during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your 13-Year
Uranus Card

Your Thirteen-Year Six of Diamonds Period

This period of your life is going to most be a peaceful one, devoid of many changes. The Six of Diamonds is a money card and finances could be a major factor as well. In this case, there could be an inheritance or money that comes through marriage. It could come through other avenues as well but it is usually money that you do not earn yourself. By the same token, this card could mean 'no change' financially speaking and indeed many people find that their life is in sort of a rut during this long Six period.

There is a call during this period to turn within and listen to the voice of our higher self. Every Six can lead us to a higher path in our life. During this period you may realize that you have a special purpose in your life, one that involves finances and the redistribution of wealth, in order to serve others.

The underlying Nine of Clubs could indicate some disappointments during this period. Expectations, plans, ideals and dreams could be shattered by events and circumstances. But this same card gives a spiritual blessing to those who are willing to let go of things in their life which are being taken away by circumstances. This gift is that of universal knowledge. It is a great psychic gift, the gift of knowing your true place in the universe and of understanding of the fabric of life here on earth. This great understanding will serve you well throughout the rest of your life.

Your 13-Year
Neptune Card

Your Thirteen-Year Four of Spades Period

This period of your life will be highlighted by home, family, hard work, and educational pursuits. The Four of Spades is a card of satisfaction and stability in both health, work and all affairs in general. Thus you will most likely enjoy your home life during this period. But you may also be working hard a lot during this period and devoting time to mental pursuits. You could even publish a book or somehow be involved in the mass media.

Hard work is a good thing but not if it comes from a place of fear. There is a caution that a sense of lack could be a strong motivating factor. This could cause you to work more than is healthy for you, which in turn may affect your health at times. You are protected, health-wise during this period, but you could avoid some unnecessary stress by being aware of this potential. Also, your choice of jobs may be made from this sense of lack and you could end up doing work that you really do not enjoy. If you become aware of your inner sense of security, you could address that directly so that it does not affect your work.

Its Underlying Card

Mentally, the Ten of Clubs hidden influence gives you some golden opportunities and chances for success and recognition. If you are involved in anything that involves the media or publishing, or even just scholastic accomplishment, expect great success in these areas. If you are in school during this period you will do very well indeed. Overall, this is a protected period of life. Nothing really bad will happen to you. But you can enjoy it more if you take heed to these hints above.

Auspicious Events Occuring from Ages 48 to 68

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

About Your Auspicious Events Report

For each of us, there are certain years of our life in which significant events can be predicted and explained using the Science of the Cards. These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

Auspicious Events Occuring at Age 48

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

THE LIFE SPREAD

Auspicious Events Occuring at Age 48 (continued...)

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Auspicious Events Occuring at Age 49

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

THE LIFE SPREAD

Auspicious Events Occuring at Age 50

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

THE LIFE SPREAD

Auspicious Events Occuring at Age 52

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You are in Your 'Critical Year'

Research has shown that the Age 52 year is one of great significance. In one manner of speaking, it represents an important decision that is made in our life - the decision to truly live or not. To truly live means to make choices from that part of us that loves our life and is glad for the opportunity to be here on the planet. The opposite of this is to live our life always from our fear side, always sacrificing that which would make us happy by doing everything in our power to avoid that which we are afraid of. All of us have fears and all that separates those who are 'alive' from those who are 'dead' is the ability to face these fears and to make conscious choices in spite of them. It is only those who never question their fear-based decisions that end up in lives that are going nowhere, lives that have little happiness or joy.

During this year, you will be given an opportunity to deal with several of the most important fear-based challenges of your life. To a large extent, these challenges are signified by your Environment Card in your Birth Card's Spread. It would be a good idea to study the significance of this card carefully. In some way, it represents one of your most important lifetime challenges. What's so important this year is that though this card represents a lifetime challenge, because it falls in the Environment position, it is literally given to you as a blessing without effort this year. It will be very easy to deal with this card this year and to access it on it's most positive and powerful side. Therefore, it can represent the last opportunity in this lifetime to overcome this challenge. It seems to be true that those who do not 'get it' during this year, never do. It represents a final and loving call from our soul to rise up and claim our birthright of happiness and joy.

You will get a Wish Fulfilled This Year

Your Birth Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

This is a Major Completion Year for You

Auspicious Events Occuring at Age 52 (continued...)

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

THE LIFE SPREAD

Auspicious Events Occuring at Age 61

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Your Planetary Ruling Card is approaching the Ascent to the Pinnacle Year

Because of the position of your Planetary Ruling Card this year, you are approaching a particularly significant 7-year cycle of your life. We call this the Ascent to the Pinnacle Cycle. This cycle's effect on you will depend largely on what is the direction of your life to this point, so read carefully to determine its significance for you.

If you are aware of your personal goals and purpose to a large degree, this year and the next three years together will mark a rising up to a position of accomplishment and recognition. This year will see significant advancements in your career interests but the year that begins three years from this birthday will be the Pinnacle Year, where you could reach the very top of your profession and end up on a new level of work and attainment. Many people have achieved great goals and dreams during this 3-year period.

If, on the other hand, you are not so certain about your life's direction or purpose, the next three years will mark a culmination for you of your life as you know it. Be prepared during the Pinnacle Year to make a big change, to depart from a significant chapter of your life, and to move on to a new and better cycle. You can have some achievements during this three years, but it is likely that you will not know what your true direction should be until sometime during the Pinnacle Year. Be patient and prepare for the new cycle.

Regardless of where you are at, two years after the Pinnacle Year (five years from this year), you will arrive in what we call the 'most blessed position' and during that year, you will receive that which your heart desires most. This is indeed one of the most significant cycles in a person's life.

You Have Good Career Influences This Year

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Birth Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will begin to pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Auspicious Events Occuring at Age 64 (continued...)

Your Planetary Ruling Card is in the Pinnacle Position this Year

You have arrived at a very significant year of your life, perhaps the most significant year. Because your Planetary Ruling Card is in the 'Sun' or 'Pinnacle' position, this year will mark a great transition for you in some respect. It's effects can vary depending upon your circumstances so read carefully to determine which category you fall into.

If you have been steadily climbing up the ladder of success and have a clear picture of what your goals and purposes are, this year could see you rising up to claim the brass ring of achievement. In a sense, the Pinnacle position represents reaching the top of your profession or dreams. Many have claimed the highest successes in this auspicious year.

If, on the other hand, you have been searching for a direction to go in your life, this year will likely see you finding that direction and it might just surprise you as to which way you end up going. Be prepared to make a large-scale transition into something different than you have done before.

Even if you have no particular career ambitions, this position guarantees that a chapter of your life is completing and that you will be moving on to new and better things sometime during this year. This is a year of change. Something of your past must be given up to make way for the new future that awaits you. Regardless of what that is, you will be happier as a result.

Two years from now you will be in your 'Most Blessed' year. During that year you will receive whatever it is that your heart desires the most. For this reason, you are in the middle of one of the most important cycles of your life.

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. You Are in the 'Most Blessed' Position This Year

Your Planetary Ruling Card falls in a very auspicious position this year, the spot in the very center of the Grand Solar Spread known as the 'Most Blessed' position. This position has what we call a 'double Jupiter' influence. Because of the fortunate effects of Jupiter, you are absolutely going to receive a tremendous blessing this year. In effect, you will receive the thing that you want most in life. However, this will be the thing that you truly want in your heart, not just some fanciful wish that your mind plays with at times. Whatever you wish for most, the thing that will bring you the most true happiness, will come to you this year. Therefore, this is a very auspicious year for you and one that marks the end of a long cycle in your life.

If you are a materially minded person, this wish may manifest as greater financial blessings or something on the mundane level. However, it will only come to you if this thing will truly bring you more happiness and peace of mind. For spiritually minded people, prayers are answered and major turning points in life are reached. Many embark on a higher path at some point during this auspicious year.

This year will help to show you that there is much in this life to be grateful for. By having more gratitude for everything in our life, we multiply our abundance and attract more prosperity.

Auspicious Events Occuring at Age 68 (continued...)

this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.
